Helpline House Food Kits for the Holidays

As it is for everyone, this holiday season at Helpline House will look very different. As curbside distribution of prepacked bags of food continues and will continue through the holidays, we are asking our wonderful community to gather “Holiday Kits” for our clients.

A Holiday Kit contains non-perishable ingredients for a recipe or themed items all in one bag.

INSTRUCTIONS

- All items must fit in one bag – a medium sized clear bag is ideal, and we can provide them if needed.
- All ingredients in the bag must be shelf stable, non-perishable items.
- All ingredients in the bag must not be expired.
- All ingredients in the bag must be commercially packed. For example, flour cannot be measured out in a sandwich bag.
